- Users can **Register/Login** manually by using their **google** or **facebook** account.
- The user database is **hashed** by using **passportjs** to prevent the data breach.
- **Cookies** and **Sessions** used here to add extra functionality and users can **confessanonymously**.

Skills

Scala | Akka Actor | Akka HTTP | C++ | DSA | C | Java | JavaScript | NodeJS | Express | React | MongoDB | MySQL | Git | Ejs | REST API | Mongoose | jQuery | SOCKET.IO | Gitbash

Education

Seth Jai Parkash Mukand Lal Institute of Engineering and Technology, India   **2019 - 2023**
- Bachelor of Engineering (B.E) in Computer Engineering | CGPA: **8.88/10**

KSK Academy, India   **2018 - 2019**
- *AISSCE (Class XII)*

Tinu Public School, India   **2016 - 2017**
- *AISSE (Class X)*

Academic and Extracurricular Achievements
|| 4 star @Leetcode (Global Rank : under 1300) ||
1. Top **1** in Techtok (patterns coding platform among **5000** participants, **1500+** DS problems **5*** in **PS.**
2. **AIR - 30** & **Global Rank 174** @Leetcode contest-93
3. **Cracked SDE intern role** @ Expedia (Seattle USA) [offcampus]..

Positions of Responsibility
1. **HCC CLUB, JMIT** |CONVENER
   i. Helped students in improving their Coding skills.
   ii. Monthly coding activities for students.
2. **Tutored 1200+** students in C++ / DSA.
